# THE DATA DIVA

Debbie Reynolds “The Data Diva” has made a name for herself as a leading voice in the world of Data Privacy and Emerging Technology with a focus on industries such as AdTech, FinTech, EdTech, Biometrics, Internet of Things (IoT), Artificial Intelligence (AI), Smart Manufacturing, Smart Cities, Privacy Tech, Smartphones, and Mobile App development. With over 20 years of experience in Emerging Technologies, Debbie has established herself as a trusted advisor and thought leader, helping organizations navigate the complex landscape of Data Privacy and Data Protection. As the CEO and Chief Data Privacy Officer of Debbie Reynolds Consulting LLC, Debbie brings a unique combination of technical expertise, business acumen, and passionate advocacy to her work.

Debbie is a sought-after speaker and has been featured at conferences and at organizations such as The Berkeley Forum, DocuSign, McDonald's, Fannie Mae, Business Insider, IAPP, IEEE, and PrivSec. She has been featured by media outlets such as PBS, Wired, Business Insider, Protocol, USA Today, New Statesman, Dark Reading, Morning Brew, Lifewire, CMSWire, Bloomberg, and Digiday.

Debbie has been recognized as a true trailblazer in the field with numerous honors and awards. She hosts the #1 award-winning “The Data Diva” Talks Privacy Podcast and has been named one of the Global Top Eight Privacy Experts by Identity Review. In 2020 and 2021, Debbie was named one of the Global Top 30 CyberRisk Communicators by The European Risk Policy Institute. Additionally, she was appointed by the U.S. Department of Commerce to the Internet of Things (IoT) Advisory Board in 2022 and serves as the IEEE Committee Chair for Cyber Security for Next Generation Connectivity Systems at IEEE for Human Control & Flow.

Debbie Reynolds is truly dedicated to advancing the field of Data Privacy and Emerging Technology, and she continues to be a driving force in shaping the future of this ever-evolving industry.
